

Title: <b>Estimates Supervisor</b>	Effective Date: May 11, 2012	Grade: XII	Job Category: Technician
Prior Title: Squad Leader - Final Estimates	Prior Effective Date: August 24, 2007	Grade: XII	Page: 1 of 1

*CHARACTERISTICS OF WORK*

This position is responsible for ensuring that accurate and complete Final Estimates are prepared for the Construction Engineer's approval and that the estimates are supported properly by basic data prepared and submitted by the Resident Engineer.

*EXAMPLES OF WORK*

The following examples are intended only as illustrations of various types of work performed. No attempt is made to be exhaustive. Related, similar, or other logical duties are performed as assigned. The Department may require employees to perform functions beyond those contained in job descriptions. The Department may modify job descriptions based on Department needs. The Arkansas State Highway and Transportation Department is an "at will" employer.

- Assure that each item of work established in the contract is accounted for in the final estimate.
- Report multiproject jobs for allocations of funds.
- Recommend adjustments or changes in review procedures or office routines.
- Enforce uniform audit standards regarding review of source records and preparation of final estimate report.

*MINIMUM REQUIREMENTS*

The educational equivalent to a diploma from an accredited high school. Mathematical skills through elementary algebra and trigonometry; working knowledge of the major elements in a highway construction project. Working knowledge of Microsoft Word, Excel, and Access software and the use of Microsoft Windows operating system. Working knowledge of SiteManager and Earthwork Quantity Calculation software.

*("Accredited" means the educational institution or program is accredited by an accrediting organization recognized either by the United States Department of Education or by the Council for Higher Education Accreditation.)*
